

About This Download

PRINTING

The majority of our downloads are formatted to print on 8.5x11” paper, unless otherwise noted. You may print at home or at a local print shop. We recommend using a recent version of Adobe Acrobat PDF Reader to view and print your files. It is available for free online. If you run into problems with pages being cut off, select “fit to page” in your print dialogue box to make sure it fits on your page correctly.

To print large page sizes (anything larger than 8.5x11”), we recommend going to a local print shop like Kinko’s, Staples, AlphaGraphics, etc. and ask them to print your file as a black and white “engineer print” or “blueprint.” These larger prints are big and fun, and fairly inexpensive.

If the staff at your print shop asks you about your rights to reproduce this work, you will find a copyright release below. Or you can tell them you downloaded these files for personal use from comefollowmefhe.com and they can look us up to see you do have rights to print the copies.

If gospel standards seem high and the personal improvement needed in the days ahead seems out of reach, remember Joshua's encouragement to his people when they faced a daunting future. "Sanctify yourselves," he said, "for tomorrow the Lord will do wonders among you."

Jeffrey R. Holland

True, enduring happiness, with the accompanying strength, courage, and capacity to overcome the greatest difficulties, will come as you center your life in Jesus Christ.

Richard G. Scott

My dear brothers and sisters, the joy we feel has little to do with the circumstances of our lives and everything to do with the focus of our lives.

Russell M. Nelson

My beloved brothers and sisters, fear not. Be of good cheer. The future is as bright as your faith.

Thomas S. Monson

The first great commandment of all eternity is to love God with all of our heart, might, mind, and strength—that's the first great commandment. But the first great truth of all eternity is that God loves us with all of His heart, might, mind, and strength.

Jeffrey R. Holland

My brothers and sisters, may we resolve from this day forward to fill our hearts with love. May we go the extra mile to include in our lives any who are lonely or downhearted or who are suffering in any way. May we "[cheer] up the sad and [make] someone feel glad."

Thomas S. Monson

Oh, how we need each other. Those of us who are old need you who are young. And, hopefully, you who are young need some of us who are old. It is a sociological fact that women need women. We need deep and satisfying and loyal friendships with each other."

Marjorie Pay Hinckley

...remember that your Heavenly Father knows all about you—your strengths and your weaknesses. He knows perfectly who you are, but He also knows who you can become. And with that knowledge, He has placed you here, now—at the exact place and time in which you can do the most good with the talents and gifts He has given you.
