About This Download

PRINTING

The majority of our downloads are formatted to print on 8.5x11” paper unless otherwise noted. You may print at home or a local print shop. We recommend using a recent version of Adobe Acrobat PDF Reader to view and print your files. It is available for free online. If you run into problems with pages being cut off, select “fit to page” in your print dialogue box to make sure it fits on your page correctly.

To print large page sizes (anything larger than 8.5x11”), we recommend going to a local print shop like Kinko’s, Staples, AlphaGraphics, etc. and ask them to print your file as a black and white “engineer print” or “blueprint.” These larger prints are big, fun and fairly inexpensive.

If the staff at your print shop asks you about your rights to reproduce this work, you will find a copyright release below. Or you can tell them you downloaded these files for personal use from comefollowmefhe.com and they can look us up to see if you do have the rights to print the copies.

BOOK OF MORMON

I Spy Pages

These fun I Spy pages are a great addition to church bags, your car when traveling with kids, when you are waiting for appointments, or to use at home when “there’s nothing to do!”

Print each page (you could even print double-sided) and slide it into a sheet protector. Then hook all the pages together with a binder ring or two. Slide a dry-erase marker into the sheet protector and you’re ready to go!

If you want to get fancy, go ahead and laminate your pages to use again and again. You can attach a dry-erase marker to the pages by punching a hole toward the top and tying a string around the marker and through the hole in the page.
