About This Download

PRINTING

The majority of our downloads are formatted to print on 8.5x11” paper unless otherwise noted. You may print at home or a local print shop. We recommend using a recent version of Adobe Acrobat PDF Reader to view and print your files. It is available for free online. If you run into problems with pages being cut off, select “fit to page” in your print dialogue box to make sure it fits on your page correctly.

To print large page sizes (anything larger than 8.5x11”), we recommend going to a local print shop like Kinko’s, Staples, AlphaGraphics, etc. and ask them to print your file as a black and white “engineer print” or “blueprint.” These larger prints are big, fun and fairly inexpensive.

If the staff at your print shop asks you about your rights to reproduce this work, you will find a copyright release below. Or you can tell them you downloaded these files for personal use from comefollowmefhe.com and they can look us up to see if you do have the rights to print the copies.

Witness Testimony Scenarios

D&C 5:11

As a family, discuss why it is so important to have witnesses of the gold plates and the Book of Mormon. Talk about why it's important to share our own witness of The Book of Mormon and how your children could also stand as witnesses. Practice by cutting out the following scenario cards and discussing each situation as a family.

<p>You are at school taking a test. You notice one of your classmates has a small piece of paper in their pocket they keep pulling out and looking at. You think they might be cheating and have the answers written on the paper.</p> <p>How can you stand a witness to your teacher?</p>	<p>You are playing upstairs when your Mom asks you to come down and set the table for dinner. You keep playing with your toys and when she asks you again, you exclaim that you didn't hear her the first time. When she asks you to come down now, you sigh and complain.</p> <p>How can you stand as a witness to your Mom?</p>
<p>You go shopping with your older sibling and decide to purchase some candy. You grab two of your favorite candy bars and head to the self-checkout line. You scan your candy bars and pay. As you are walking home, you read the receipt and realize that only one of your candy bars got scanned.</p> <p>How can you stand as a witness to your sibling?</p>	<p>You are at soccer practice and notice one of your teammates sitting out. The other players on the team start talking about how his family is going through something really hard and start spreading rumors.</p> <p>How can you stand as a witness to your teammates? How can you uplift your teammate who is feeling down?</p>
